ENGAGEMENT & OBJECTIVE

- Founder of Admoreal > www.admoreal.com

- Blogger > www.fashion-tech.de

- Meeting organizer >
  www.meetup.com/fashion-meets-technology/

I have a passion for design in multiple forms such as photography, graphic design, CGI or animated scenery. My attempt is to bring my skills in perpetual use to become better and increase my expertise. For that I obtain a position as a freelance designer and hope to be a complementary piece in a team of experts.
